## **West Fork Trail - Temporary Closures**

**Sedona, AZ** – The Red Rock Ranger District announces several temporary closures of the West Fork Trail and parking area beginning Monday, November 10 through Thursday November 13 and once again the following week Monday, November 17 through Thursday 20. The West Fork Trail is located in the upper portion of Oak Creek Canyon at the Call of the Canyon Day Use area. Temporary closures are necessary for public safety during trail reconstruction activities. Trail enhancement will allow for increased accessibility to the West Fork Bridge and Oak Creek. This project is being accomplished through a partnership with Recreation Resource Management, Arizona State Parks and the Coconino National Forest.

For more information on alternative recreation opportunities, please contact the Red Rock Ranger District at (928) 282-4119 or our website at [www.coconinoforest.us](http://www.coconinoforest.us).
